#### The Circulation of The Bulletin.

The Bulletin has the largest eir matten of any paper in Enters dass surger than that of may to Murrelets. It is delivered to over 1,000 of the 4,053 houses in Norrefer, and read by sinety-three ner cent. of the papple. In Windhow It is delivered to over 200 houses in Putters and Danteloon to over tite, and in all of these places it is considered the toest duity. Enviern Connections has fortysine towns, one bandred and sixtyfive nostoffice districts, and forty-

ome rurnt free delivery routes. The Bulletin is sold in every town and up all of the R. F. D. in Englers Conscettert,

## Turn a Draught to Good Account

Often in winter you dare not open a window, even though the room be warm, because the cold air makes a draught that is dangerous. With a Perfection Oil Heater there need be no danger from draughts.

Open the lower part of the window a little, put the Perfection Oil Heater in front of it, and the cold draught will be turned into a pleasant, healthful current of fresh air. The

PERFECTION SMOKELESS (1) [1] [1]

Absolutely smokeless and odorless

gives just as much heat as you desire. It is safe, odorless and smokeless. Has an automatic-locking flame spreader, which prevents the wick from being turned high enough to smoke, and is easy to remove to clean and drop back. Burner body or gallery cannot become wedged, because of a new device therefor; it can be easily and quickly unscrewed for rewicking. An indicator shows the amount of oil in the font. Has a cool

handle. Filler-cap is put in place like a cork in a bottle, and is attached to the font by a chain. Finished in japan or nickel, strong and durable, well-made, built for service, and yet light and ornamental.
